NOTICE OF FORMAL COMPLAINT 26-FC-841.pdf (~168 KB) WashingtonCountyElectionFormalComplaint11Nov2026.pdf (~714 KB)

Please see the attached Notice of Formal Complaint, the Complaint, and relevant supporting document filed with the Office of Public Access Counselor (OPAC). Also see information below.

You will have 15 business days to submit your formal response referenced in the attached Notice of Formal Complaint. Because of OPAC's current backlog and the issue may take additional time to research, a Formal Opinion may take longer than normal to write and publish.

NOTE: Each complaint has its own administrative file number assigned. Please refer to the complaint number and name of the complainant when sending your agency response. Your response should be short (less than 10 pages typically), address the information from the complaint, and although you could include some supporting documents should not include an overabundance of exhibits or large volumes of material. OPAC also do not need the records you sent or intended to send to the complainant. You can send those directly to the complainant. You can go to the OPAC website for important information: https://www.in.gov/pac/

If additional information is needed OPAC will follow up, but the complainant should not contact OPAC during the process including providing additional materials or information or follow up on the status of the complaint or opinion. A complainant may choose to submit in writing (by email or USPS) if they wish to withdraw their Formal Complaint or to make OPAC aware that the matter has been resolved, and they no longer wish to move forward with their complaint.

If the responding agency has questions about the process, they may contact our office however we are not able to answer legal questions as this process is quasi-judicial.

Thank you,

Office of the Indiana Public Access Counselor
